TO ALL OUR STAFF AT CROSSHILL NURSING HOME

We would like to thank you for enabling us to
provide such a remarkably high quality of care to
our residents and their families again this year.

Although this has been acknowledged by our
regulators, and through the receipt of awards, we
would like to take this opportunity to
express our gratitude.

We are exceptionally grateful for your loyalty,
commitment and compassion, which regularly goes
over and above what is expected.

Wishing you and your nearest and dearest,
all the best for Christmas and
a New Year blessed with health and happiness.
